Getting Started

In this first lesson, I'm going to show you how to setup your online dating campaign so you can _____, _____ and _____ your dating profile and dates in the most strategic way possible.

1. The first step of this program is to create an original _____ that you will use not only for your e-mail address, but one that you can also use as a handle for your relationship resume or dating profile.

2. Your second step will be sign up for a free _____ from any number of free sites.

Screen Names or User names

In most cases, your _____ will be the _____ thing we know or see about someone we are about to interact with.

Screen names can be used strategically to present a _____ of yourself

Your screen name is a tool that allows you to express _____ or _____ images of yourself so that a potential date will have a _____ - of you.

Studies on Usernames or Screen names

A recent study concluded that men looking for a date should consider selecting a screen name or username that demonstrated their _____ and _____ whenever possible.

As for women, men were more likely to favor women who had screen names that demonstrated _____ and _____ such as “blueeyes” and “fun2bewith” and “blondie”.

You do not want a username that has your _____ or random _____.

You also don't want one with some _____ reference which has no _____ to anyone looking at your profile.

Make Every Word Count

You want to use every opportunity when creating your profile to generate _____ in and _____ to you by condensing and using the fewest _____ and _____.

Your username and headline are the _____ and _____ most important parts of your relationship resume or dating profile.
