How to master internet dating to meet the love of your life

In this lesson, I'm going to show you how to:

1. Create attention, interest then rapport with those who contact you and with those you desire to have a connection with.
2. I'll show you how to communicate in a way to make it easy for them to want to write back to you
3. You're going to learn how to establish a fun and playful rapport with others
4. The importance of getting a phone number and email address to set up the initial encounter over the phone or a web chat

Contacting a potential match on dating sites:

Research shows that men tend to contact women _____ to _____ times as much as women contact men.

Highly desirable women on the larger dating sites get up to _____ to a _____ views per day .

For the men to make contact with them, you really have to make your _____ out.

Men, don't let those odds discourage you. The vast majority of those e-mails the hot women get really _____.

Women, don't be afraid to _____ with men!
